

Mr. Leslie Smith, GRENADA
ESD National Coordinator

Mr. Leslie Smith has been Project Officer at the Energy Division of the Ministry of Finance and Energy, Grenada, for the last 11 years. He is Grenada's Technical Focal Point for the Montreal Protocol on Substances that Deplete the Ozone Layer and is currently the Vice Chair of the Executive Committee of the Multi-lateral Fund for the implementation of the Montreal Protocol.

Mr. Smith also manages the implementation of Grenada's HCFC Phase out Management Plan (HPMP). Mr. Smith was also a consultant in the Preparation of the HPMP for Barbados and Haiti.

Mr. Smith has been trained in Energy Management and is a key resource personnel for the Energy Division on RE and EE technology particularly in the area of Solar PV.
